

Epidemiology:

Acceptance must be in one of the universities listed below, provided that the program is related to the desired field of study and includes courses and scientific research in the same field of specialization. Additionally, it is essential to ensure that the program is included in the lists of the National Bureau for Academic Accreditation and Education Quality Assurance in Kuwait and to obtain the approval of the Cultural Office in the country of study.

Pathology:

Acceptance must be in one of the universities listed below, provided that the program is related to the desired field of study and includes courses and scientific research in the same field of specialization. Additionally, it is essential to ensure that the program is included in the lists of the National Bureau for Academic Accreditation and Education Quality Assurance in Kuwait and to obtain the approval of the Cultural Office in the country of study.
